PARTNERSHIP AGREEMENT

between

VOKA - Chamber of Commerce & Industry Antwerp-Waasland

and

Jordan Europe Business Association (JEBA)

The aim of this partnership agreement is to promote and to increase the business relations between the Antwerp-Waasland region in Flanders, Belgium, and Jordan.

Therefore both partners agree the following:

1. Both partners agree to support and to facilitate all business contacts and meetings during trade missions and business contact days organised by them or third parties in Flanders and in Jordan.
2. Both partners agree to exchange all kind of information and to discuss among them further ways of co-operation that may enhance the international business opportunities of their member companies.
3. The partnership agreement also includes exchange of information about the international network of both partners.
4. Both partners consider each other as privileged partners to be invited whenever one of the partners participate in cooperation programmes of the European Union or of other International Organisations.
5. Both partners take all necessary steps to ensure the good execution of this agreement, which is valid till the end of 2017. The partners also agree to an annual review and evaluation of the co-operation.

Signed in Antwerp, on November 2016 and in Amman, on November 2016
